About Citinova

Citinova adalah merek gelas minum yang diperkenalkan oleh diamas pada tahun 2013, yang telah memproduksi produk-produk kaca buatan tangan sejak tahun 1994. Citinova mendesain dan memproduksi produk kaca berkualitas dengan tujuan untuk memperkaya hubungan antara teman, keluarga, dan komunitas.

Citinova ingin mengajak orang-orang dengan nilai, norma, dan budaya yang beragam untuk bersama-sama berbagi momen berharga. Dengan desain yang bervariasi yang cocok dengan tradisi, selera, dan fungsi yang bermacam-macam, Citinova mengundang orang-orang untuk berbagi momen bersama dengan Citinova.

Citinova is a glassware brand introduced by diamas in 2013, which itself has been producing handmade glass products since 1994. Citinova designs and produces quality glassware with the goal of enriching friendships, families, and communities.

Citinova looks to bring people from different values, norms, and cultures together to share their precious moments together. With varied dimensions and designs to suit different traditions, tastes, and functions, Citinova invites people to share their moments together with Citinova.
